FOR MYSORE STATE

PUBLIC WORKS DEPARTMENT.

Memorandum No.11714 B.53-1 dated 31st July 1953.

Sub: Allowances-Major Irrigation and Electricity Schemes-Investigation and Execution & 'Go home' Concession-Clarification-Issued.

Read again: G.O.Ms.No.587 PW dated 10-2-48.

Ref: From the Chief Construction Engineer (Electricity) No.CE/Com.43/769 d/ 8-9-53.

A doubt has been raised as to whether the 'Railway fare to go home and return' allowed to the non-gazetted staff and their families in the G.O. cited should be restricted to the ordinary rail-fare irrespective of whether the journey is made by mail or express or ordinary trains or whether the fare by the train actually travelled in may be claimed. It is not the intention of the Government that the concession should be so restricted. The fare by the train actually travelled by may be claimed.
